LGCM is calling on all our friends in the Anglican Communion to express support for the Anglican Churches of the United States of America and Canada.

Please cut out and send in this open petition, or email the full text with your name and address to Anglicanpetition@lgcm.org.uk

We the undersigned:

- **consider** ourselves to be in full communion with the Anglican Church of Canada; the Episcopal Church of the United States of America, including the Diocese of New Hampshire and its Bishop, Gene Robinson
- **regret** the actions of those other member churches of the Anglican Communion which have resulted in attempts to isolate the Anglican Church of Canada and the Episcopal Church of the United States of America within the Communion

Please also consider

- **collecting** more individual signatures
- **presenting** the text to your next available PCC/Vestry/Deanery or Diocesan Synod meeting in the form "This PCC considers itself to be ... and regrets the actions..."
