Our Aims

To encourage fellowship, friendship, and support among individual lesbian and gay Christians through prayer, study and action, wherever possible in local groups, and especially to support those lesbian and gay Christians subjected to discrimination.

To help the whole Church re-examine its understanding of human sexuality, and to work for a positive acceptance of lesbian and gay relationships within the framework outlined in the statement of belief below, so that all homosexuals may be able to live without fear of rejection or recrimination, and that lesbian and gay Christians may be able to contribute fully to the life and ministry of the Church.

To encourage members to witness to their Christian faith and experience within the lesbian and gay community, and to witness to their convictions about human sexuality within the Church.

To maintain and strengthen links with other lesbian and gay Christian groups, both in Britain and elsewhere.

What We Believe

It is the conviction of the members of the Lesbian & Gay Christian Movement that human sexuality in all its richness is a gift of God gladly to be accepted, enjoyed and honoured as a way of both expressing and growing in love, in accordance with the life and teaching of Jesus Christ.

Therefore it is their conviction that it is entirely compatible with the Christian faith not only to love another person of the same sex but also to express that love fully in a personal sexual relationship.
